

# Limited Warranty for Residential Applications

## **Congratulations on the purchase of your Powerline Water System.**

Kinetico Incorporated warrants its products to be free from defects in material and workmanship. Any faulty part will be replaced at no charge for the part if it falls within the following time periods originating from the date of original system installation.

### **What is Covered?**

- 5** Five years on the polyglass resin/media tanks, regenerant storage tank and Macrolite® filtration media.
- 3** Three years on Powerline valve body and brine valve assembly.
- 1** One year on valve seals and electronic valve components.

*(\*With the exception of Macrolite filtration media, there is no warranty on resin or media.)*

### **Who is Covered?**

This limited product warranty is transferable by the original owner to a subsequent owner. The only requirement is that the system must remain at the site of original installation.

### **Extension of Limited Warranty to a Subsequent Installation**

The ORIGINAL OWNER may move the system to another location. The influent water quality at the subsequent location MUST, however, be within your system's operating specifications. Please contact a local authorized Kinetico dealer prior to installation at another location.

### **Limits on this Warranty**

Your system must be sold to you by an authorized Kinetico dealer and installed, operated and serviced in accordance with Kinetico's recommendations and any applicable codes in order to receive coverage under this limited warranty. Additionally, this limited warranty **does not** cover products installed for any application other than single family dwellings. The design of the overall treatment system and the performance of your system is related to the chemistry of the water being treated; therefore, **this warranty is limited solely to the equipment manufactured and distributed by Kinetico, including replacement products and parts.**

This limited warranty **does not** include damage to your system due to abuse, misuse, neglect, freezing, alterations, misapplication or a change in the influent water characteristics.

Influent water conditions must not exceed the following operating specifications:

### **For Water Conditioning Equipment**

- Pressure: 125 psi for all water conditioning equipment
- Min./Max. Operating Temperature: 35°F-120°F (2°C-48°C)

Periodic replacement of filter cartridges and certain filter media (such as carbon, birm, calcite, Filter-Ag, UltraSorb™) is part of the normal maintenance required by your system. These replacements and media loss due to natural attrition are not covered.

Additional operating parameters may apply and are listed in your system owner's manual and/or installation instructions. Your equipment must be installed and operated in accordance with Kinetico's recommendations, and applicable state and local codes for this limited warranty to apply.

### **Registration and Service**

To place your system under this limited warranty, your authorized Kinetico dealer must register your equipment with Kinetico Incorporated within 30 days of the installation date. For service under this limited warranty, contact your authorized Kinetico dealer. Retain your receipt along with this limited warranty for reference if service is necessary.

### **No Other Warranties**

THERE IS NO OTHER EXPRESS WARRANTY. IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE DURATION OF THIS WRITTEN LIMITED WARRANTY AND ARE EXCLUDED TO THE EXTENT PERMITTED BY LAW. THERE ARE NO WARRANTIES OTHER THAN THOSE CONTAINED HEREIN. IN NO EVENT SHALL KINETICO BE LIABLE FOR INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH THE USE OR THE LOSS OF USE OF THIS SYSTEM.

### **How State Law Relates to the Limited Warranty**

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damage, so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

### **Modification of the Limited Warranty**

Kinetico does not authorize any other person to assume for Kinetico any other liability in connection with this product. The dealer has no authority to make any representations on behalf of Kinetico or to modify the terms of Kinetico's limited warranty in any way.
